

Indianapolis, Indiana Drug Rehab

by Evolve Indy | Jun 3, 2022 | Drug Addiction, Drug Treatment | 0 comments

Searching for a drug rehab in Indianapolis can be quite a challenge. There are plenty of rehab facilities to choose from, all employing different addiction treatment methods to help their clients.

If you, or your loved one, are looking for a drug rehab facility, there are key things to look for in a facility. Each patient has their own needs and these factors impact the facility you choose.

- Location of the facility
- Types of treatment offered
- Types of substance abuse they treat
- Cost of treatment

Ideally, you want a rehab that emphasizes individual treatment and one that will provide support throughout your recovery journey.

Why Choose Evolve Indy

When it comes to choosing a drug treatment facility in Indianapolis, Indiana, you should consider [Evolve Indy](#). We prioritize our clients' recovery needs. Our ultimate goal is to ensure everyone who comes to us gets the help they need to turn their lives around.

When you choose Evolve Indy, here's what you get:

- **A serene environment is conducive to recovery.** Although Evolve Indy is located in Indianapolis, you leave the hustle and bustle of the city behind when you walk through our doors. Our facility is designed to provide a calm environment that promotes recovery and healing. We take care to provide comfortable accommodations as well as recreation facilities to allow clients to relax and focus on their recovery with minimal interruptions.
- **Caring and experienced staff.** Our qualified staff has years of experience dealing with different types of substance abuse. Some of them have even battled addiction and have firsthand experience of how devastating it is. We take pride in offering clients compassionate, non-judgmental care, allowing them to relax, accept their situation and then work towards recovery.
- **Evidence-based treatment options.** At Evolve Indy, we take care to only employ addiction treatment methods that are rooted in science and research. From our inpatient program to the [partial hospitalization](#) and [intensive outpatient programs](#), our treatment programs have been proven to work and give clients the best recovery outcomes. We also recognize the role of the family in recovery and our [family therapy program](#) aims to give families the education and support they need.
- **Individualized treatment.** Right from admission, we provide clients with a personalized treatment program. We realize that addiction affects people differently and so we tailor our programs to meet your unique treatment and recovery needs. Upon admission, you'll undergo an assessment to help determine which of our treatment programs will be most suitable for you. Throughout your stay at our rehab facility, we'll keep checking in with you to see how far along you are in meeting your treatment goals.

If you're struggling with addiction and looking for an Indianapolis drug rehab, Evolve Indy is here for you. Don't let addiction steal another day from you. Take action now by getting in touch. Our team of addiction specialists is on hand 24 hours a day. We are here to help you find the best personalized recommendations for substance abuse treatment.
